Just so we are all on the same page, the issue is whether or not the state would be supportive of having the site be proposed to the NPL.

Hi Sasha,

Unless Karen or Paul advise otherwise, please just include the statement, "Discuss Bishop Tube Site (in Chester County)." Cos is aware of the details of the issue. No need to include the other details.

Thanks,
Mary Cat

Thanks Mary-Cate,

Duly noted. Furthermore, not aware about the question regarding the Bishop Tube...but I will highlight that HSCD key staff and myself have entertained the Delaware Riverkeeper Network staff in house regarding the site in the past. This is a site which the Network are keeping an eye on.

Highlighting this due to Cosmo voicing interest in being aware of NGO concerns.

Take care

Hi Karen,

I spoke with Cos about your question regarding Bishop Tube. He said he will speak with Pat McDonnell about the issue on his next monthly call (scheduled for Nov. 5th).

I am cc'ing Sasha so she can add it to the list for next month's call.

Please let me know if 11/5 is not soon enough, and I will see if there is another option.

Best,
Mary Cate
